

# User Flow - Law Firm Management System

The dashboard screen has a yellow header bar with "Law Firm" on the left and "Hello, Bimaya" on the right, with a "Logout" link. On the left, a sidebar menu lists "Dashboard", "Client Management", "Case Management", and "Billing and Payments". The main content area is titled "Dashboard" and includes a welcome message: "Welcome to the Law Firm Management System". It also contains a sub-message: "Manage your cases, clients, billing and more with our powerful cloud-based Law Firm Management application. Efficiency is guaranteed". Two data boxes are present: one for "Number of Cases" (loading) and one for "Number of Clients" (loading).
